

Christina Grimmie - Echo

Tom: Eb

[Verso 1]

Boy I don't understand your drama
 Thought we were having fun, should I not have called you
 Should I be sorry for being me?
 I'm just trying piece together your mind
 You and me were cool when I saw you last night
 Now we're in this state of emergency
 N.C.
 Oh yeah

[Pre-Refrão]

You say you have half a dozen
 But I don't care
 'Cause I know they ain't nothin like me, babe
 Ain't nothin like me baby
 N.C.
 Hey!

[Refrão]

You keep telling me lies, you know I find out
 I don't keep it inside
 I just let it echo, echo
 Ricochet like an echo, echo
 Hey!
 I won't lay down and die
 It's over this time
 XO goodbye
 Can you hear it echo, echo
 Ricochet like an echo, echo

[Verso 2]

You can keep all the hearts you're holding
 'Cause I don't need you where I'm going
 I'll just be myself & live for me
 Yeah-yeah
 N.C.
 Hey!

[Pre-Refrão]

You say you have half a dozen
 But I don't care
 'Cause I know they ain't nothin like me, babe
 Ain't nothin like me baby
 Hey!

[Refrão]

You keep telling me lies, you know I find out

I don't keep it inside
 I just let it echo, echo,
 Ricochet like an echo, echo
 N.C.
 Hey!

I won't lay down and die
 It's over this time
 XO goodbye

Can you hear it echo, echo
 Ricochet like an echo, echo
 (XO goodbye)

[Bridge]

I know, I know you know
 There's more than what you show
 You can't hide, you can't hide it, no
 The truth will echo
 Hey!
 I know, I know you know
 There's more than what you show
 You can't hide, you can't hide it, no
 The truth will echo
 N.C.
 Hey!

I won't lay down and die
 No, no, no
 XO goodbye
 I let it echo (echo, echo)
 I let it echo (yeah!)

[Refrão]

You keep telling me lies, you know I find out
 I don't keep it inside (telling me lies baby!)
 I just let it echo, echo
 Ricochet like an echo, echo (Ricochet let it echo)
 Hey!
 I won't lay down and die
 It's over this time
 XO goodbye
 Can you let it echo, echo
 Ricochet like an echo, echo
 XO goodbye
