

Christina Grimmie - I Won't Give Up

Tom: G

When I look into your eyes, it's like watching the night sky
 Or a beautiful sunrise, well there's so much they hold
 And just like them old stars, I see that you've come so far
 To be right where you are, how old is your soul

I won't give up on us
 Even if the skies get rough
 I'm giving you all my love
 I'm still looking up

And when you're needing your space, to do some navigating
 I'll be here patiently waiting, to see what you find

'Cause even the stars they burn
 Some even fall to the earth
 We've got a lot to learn
 God knows we're worth it

No, I won't give up no, no

Don't wanna be someone who walks away so easily
 I'm here to stay and make the difference that I can make
 Our differences they do a lot to teach us
 How to use the tools and gifts, we got, yeah, we got a lot at stake

And in the end, you're still my friend at least we did intend
 For us to work we didn't break, we didn't burn
 We had to learn, how to bend, without the world, caving in

I had to learn what I got, and what I'm not and who I am, yeaahhh

I won't give up on us, even if the skies get rough
 I'm giving you all my love, I'm still looking up
 I won't give up on us, God knows I'm tough enough
 We got a lot to learn, God knows we're worth it

I won't give up on us, even if the skies get rough
 I'm giving you all my love, I'm still looking up
