

Christina Grimmie - Liar Liar

Tom: **Bb**
Intro: **Cm Ab Eb Bb F7**

Verso 1:
Can't see you anymore
You're in, and shut the door
Didn't know what I do know now
With words I've been betrayed
You respond and let them fade
and I just won't let you bring me down

You can see what I know and I know

Somewhere there's a sorry heart

Tell me why these roads keep leading

Leading you right back to me

Refrão:
Cm **Ab** **Bb** **Bb**

Verso 2:
So break away your touch
Of bliss you miss so much
But I won't tell you to come back home
Emotions dissipate
Is love designed to hate?
Keep on driving away from here
Eye the rain as it falls in your hands
Will there be another storm?
Tell me why these roads keep leading
Leading you right back
