

Christina Grimmie - Steady Love

Tom: F

(com acordes na forma de D)
Capostrate na 3ª casa

Hit me like the big bang
 Raining like a flash flood
 Throw me like a hurricane
 You, I got you in my blood
 Wouldn't fall like, ever
 Knew was life without you
 And I would have nothing to lose

When the ocean meets the sky
 It settles on the crimson tide
 I'm gonna give you steady love
 And love you 'til the storm subsides

And when the water fills your lungs
 And your soul begins to die
 I'm gonna give you steady love
 I'm gonna bring you back to life

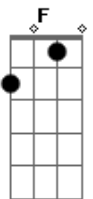

Life onto the other side
 Images I've never seen
 Technicolor real life
 Baby, what you do to me?
 Wouldn't fall like, ever
 Knew was life without you
 And I would have nothing to lose

When the ocean meets the sky
 It settles on a crimson tide

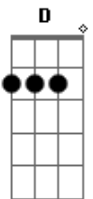

I'm gonna give you steady love
 And love you til the storm subsides
 And when the water fills your lungs
 And your soul begins to die
 I'm gonna give you steady love
 I'm gonna bring you back to life
 I'll be your lifeline
 I'll be the first to jump in
 There ain't no current
 Strong enough to hold me back
 I'll pull you up from
 From the wreckage
 Know that I'm never giving up, never giving up
 Oh no
 Oh, oh yeah

When the ocean meets the sky
 It settles on the crimson tide
 I'm gonna give you steady love
 And love you 'til the storm subsides
 And when the water fills your lungs
 And your soul begins to die
 I'm gonna give you steady love
 I'm gonna bring you back to life
