

Christina Grimmie - Tell My Mama

Tom: D

On the first day of class

You walked into the room

Just a hot little thing

With a bad attitude

And I knew, I knew

I knew you were trouble, baby

I was saved by the bell

Couldn't wait to get home

And tell my mama 'bout this boy that I know

And I knew, I knew

I knew it was complicated

Boy I know you're dangerous

You're not the one I'm supposed to love

But this is more than just a crush tonight

So I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

Hey-yeah, oh, yeah

Lock myself in my room

Called you up on the phone

Don't know why I hung up

Soon as you said "Hello"

When it's true, it's true

You got me trippin' baby

That night I couldn't sleep

Rolled around in the bed

'Cause the boy of my dreams

Is a nightmare instead

And it's true, it's true

Don't nobody try to save me, yeah yeah yeah

Boy I know you're dangerous

You're not the one I'm supposed to love

But this is more than just a crush tonight

So I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

(B Gb Db)
(B Gb Db)

I ain't never ever met a boy

That made me feel the way that you do

You do, you do, hey

I said I ain't never ever met a boy

That made me feel the way that you do, you do, you do

Come on now

Boy I know you're dangerous

You're not the one I'm supposed to love

But this is more than just a crush tonight

So I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'm gonna tell my mama 'bout ya (I'mma tell her, I'mma tell her)

I'mma tell my mama 'bout ya
