

Christina Grimmie - Wrecking Ball

```
Tom: G
  [Into] Em G C D
We clawed, we chained our hearts in vain
We jumped never asking why
We kissed, I fell under your spell
A love no one could deny
Don't you ever say I just walked away
G C
I will always want you
            Em
I can't live a lie, running for my life
         C
I will always want you
I came in like a wrecking ball
             Em
I never hit so hard in love
All I wanted was to break your walls
            Em C
All you ever did was wreck me
        С
Yeah, you, you wreck me
I put you high up in the \operatorname{sky}
And now, you're not coming down
It slowly turned, you let me burn
And now, we're ashes on the ground
Don't you ever say I just walked away
G
C
I will always want you
I can't live a lie, running for my life
I will always want you
