

Christina Perri - Black Blue

tom:
 Em
 And I've been meaning to say this to you
 My heart isn't black and blue anymore
 And your words don't mean a thing
 When they're sung in vaiiiiiiiiiin
 Maybe I was wrong
 I only remember feeling so alone
 This isn't where I meant to lay down
 But you dug this grave fits me perfectly
 And if you're asking if I'm over love
 You're a fool to believe
 That you gave me some
 And it's been raining here

Like it never should and I can't help believe
 It's because you're coming

And if a child wants to run away,
 And if a child wants to hide
 Well don't come following her fantasy cause
 You might be surprised
 She'll run right back insiiiiide

Maybe I was wrong
 I only remember feeling so alooone

This isn't where I meant to lay down
 But you dug this grave fits me perfectly
 And if you're asking if I'm over love
 You're a fool to believe, you're a fool to believe
 That you gave me some
