

Christina Perri - I Don't Wanna Break

Tom: D

Woke up such a bad dream
 I stayed you were leaving
 With my heart you were stealing
 I don't care I'd let you take it
 Showed up, like a good girl
 I fell for your fable
 But I'm no Cinderella
 I don't care I'd let you take it
 Put us back together
 You said, it's forever
 But I know you're pretending
 I don't care I'd let you take it
 All again...

And I just wanna love you
 Don't wanna lose me
 Don't wanna lose you, Whoa oh
 If it gets harder
 Then I don't wanna break all alone
 I wanna break in your (2x)

Whoa oh oh, whoa oh oh, (Don't wanna break in your)

And if it gets harder
 Then I don't wanna break all alone
 I wanna break in your arms
 Sometimes, when I'm sleeping
 I still, feel you breathing

You stole, all my good dreams
 I don't care, I'd let you take it

Come on, listen closely
 To the sound, that our love made
 If you go, I would follow
 I don't care, I'd let you take it,
 All again

And I just wanna love you
 Don't wanna lose me
 Don't wanna lose you, Whoa oh
 If it gets harder
 Then I don't wanna break all alone
 I wanna break in your (2x)

Whoa oh oh, whoa oh oh, whoa oh

Ponte:

And if it gets harder
 Then I don't wanna break all alone
 I wanna break in your

Outro:

Whoa oh oh, whoa oh oh, (Don't wanna break in your) (4x)

And I just wanna love you
 Don't wanna lose me
 Don't wanna lose you, Whoa oh
 If it gets harder
 Then I don't wanna break all alone
 I wanna break in your arms
