

# Christina Perri - I Don't Wanna Break

Tom: D

Woke up such a bad dream  
 I stayed you were leaving  
 With my heart you were stealing  
 I don't care I'd let you take it  
 Showed up, like a good girl  
 I fell for your fable  
 But I'm no Cinderella  
 I don't care I'd let you take it  
 Put us back together  
 You said, it's forever  
 But I know you're pretending  
 I don't care I'd let you take it  
 All again...

And I just wanna love you  
 Don't wanna lose me  
 Don't wanna lose you, Whoa oh  
 If it gets harder  
 Then I don't wanna break all alone  
 I wanna break in your (2x)

Whoa oh oh, whoa oh oh, (Don't wanna break in your)

And if it gets harder  
 Then I don't wanna break all alone  
 I wanna break in your arms  
 Sometimes, when I'm sleeping  
 I still, feel you breathing

You stole, all my good dreams  
 I don't care, I'd let you take it

Come on, listen closely  
 To the sound, that our love made  
 If you go, I would follow  
 I don't care, I'd let you take it,  
 All again

And I just wanna love you  
 Don't wanna lose me  
 Don't wanna lose you, Whoa oh  
 If it gets harder  
 Then I don't wanna break all alone  
 I wanna break in your (2x)

Whoa oh oh, whoa oh oh, whoa oh

Ponte:

And if it gets harder  
 Then I don't wanna break all alone  
 I wanna break in your

Outro:

Whoa oh oh, whoa oh oh, (Don't wanna break in your) (4x)

And I just wanna love you  
 Don't wanna lose me  
 Don't wanna lose you, Whoa oh  
 If it gets harder  
 Then I don't wanna break all alone  
 I wanna break in your arms
