

# Christina Perri - Sad Song

Tom: E

(com acordes na forma de Capotraste na 4ª casa C )  
Intro: C Am F G Em Am

C  
Today I'm gonna write a sad song  
Gonna make it very long  
So that everyone can see  
That I'm very unhappy

C  
Wish I wasn't always wrong  
Wish it wasn't always my fault  
The finger that you're pointing  
Has knocked me on my knees  
And all you need to know is  
I'm so sorry  
It's not like me  
It's maturity  
That I'm lacking

G  
So don't  
Don't let me go  
Just let me know  
That growing up goes slow

C  
I wonder what my mom and dad would say  
If I told that I cry each day  
It's hard enough to live so far away

C  
I wish I wasn't always so cold  
I wish I wasn't always alone  
But the party is over  
How will I get home?  
And all you need is  
I'm so sorry  
It's not like me  
It's maturity

D  
That I'm lacking

G  
So don't  
Don't let me go  
Just let me know  
That growing up goes slow

E Am  
If all the rules were meant to bend  
And you swore you were my friend  
Now I have to start all over again

E Am  
Cause no one's going to take your place  
And I'm scared we'll never save  
All the pieces of the love we made

G  
And I'm so sorry  
It's not like me  
It's maturity  
That I'm lacking

G  
So don't  
Don't let me go  
Just let me know  
That I can slip and fall  
And you won't let me go  
Just let me know  
That growing up goes slow

G  
And I'm so sorry  
It's not like me  
It's maturity  
That I'm lacking

G  
So don't  
Don't let me go  
Just let me know  
That growing up goes slow
