

# Christina Perri - The Words

Tom: Gb

Intro: 2x: E B Gb

All of the lights land on you  
 The rest of the world fades from view  
 And all of the love I see please, please say you feel it too

And all of the noise I hear inside  
 Restless and loud, unspoken and wild

And all that you need to say

To make it all go away  
 Is that you feel the same way too

And I know the scariest part is letting go  
 Cause love is a ghost you can't control

I promise you the truth can't hurt us now  
 So let the words slip out of your mouth

And all of the stairs that lead me to you  
 And all of the hell I had to walk through  
 But I wouldn't trade a day for the chance to say

My love I'm in love with you

And I know the scariest part is letting go  
 Cause love is a ghost you can't control

I promise you the truth can't hurt us now  
 So let the words slip out of your mouth

I know that we're both afraid

We both made the same mistakes

An open heart is an open wound to you

And in the wind of a heavy choice

Love has a quiet voice

Still you mind, now I'm yours to choose

And I know the scariest part is letting go  
 Let my love be the light that guides you home

And I know the scariest part is letting go  
 Cause love is a ghost you can't control

I promise you the truth can't hurt us now  
 So let the words slip out of your mouth
