

Christina Perri - The Words

Tom: Gb

Intro: 2x: E B Gb

All of the lights land on you
 The rest of the world fades from view
 And all of the love I see please, please say you feel it too

And all of the noise I hear inside
 Restless and loud, unspoken and wild
 And all that you need to say
 To make it all go away
 Is that you feel the same way too

And I know the scariest part is letting go
 Cause love is a ghost you can't control
 I promise you the truth can't hurt us now
 So let the words slip out of your mouth

And all of the stairs that lead me to you
 And all of the hell I had to walk through
 But I wouldn't trade a day for the chance to say

My love I'm in love with you

And I know the scariest part is letting go
 Cause love is a ghost you can't control
 I promise you the truth can't hurt us now
 So let the words slip out of your mouth

I know that we're both afraid
 We both made the same mistakes
 An open heart is an open wound to you
 And in the wind of a heavy choice
 Love has a quiet voice
 Still you mind, now I'm yours to choose

And I know the scariest part is letting go
 Let my love be the light that guides you home

And I know the scariest part is letting go
 Cause love is a ghost you can't control
 I promise you the truth can't hurt us now
 So let the words slip out of your mouth
