

Christopher Cross - Open Up My Window

Tom: **Db**

(forma dos acordes no tom de **Bb**)
Capostrate na 3ª casa

Every night **G** **C**
I open up my window **D** **Em**
Open up my window **Bm** **Em**
And let your love come in **C** **D**

Am **Em**
Every night that I'm away from you
This old bed seems way too big **Am**
And my dreams so small **Em**
Am
Goin' through the motions **Em**
As I stare out from my room **F** **Em**
I begin to realize **C** **D**
That we're sharin' the same moon

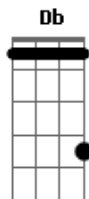

Am **Em**
Lying here hugging my pillow in the dark
Am
Dreaming of your comfort

Fightin' the lonely in my heart **Em**
And I thought I felt you touch me **Am**
In that old familiar way **Em**
When the wind came through the curtains **F** **Em**
And I heard it call your name **C** **D**

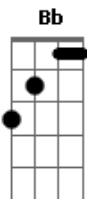

Abm **A**
Oh the time goes draggin' by
Abm **A**
Send my love across the sky
Maybe it's all that I can do **Gbm** **B**
Baby until I'll be with you **A** **B7**
[Solo] **G** **C** **D** **Em** **Bm** **Em** **C** **D**

Am **Em**
I missed you girl more than you'll ever know
And I kept a little vigil by my window **Am** **Em**
It's funny but it's true **Em**
Darlin' I did the same for you **F** **Em**
Now no matter where we are **C** **D**
We can wish upon that star
