

Christopher Wilde - Got To Believe

Tom: D

Intro: Em A

Em
All my life people telling me just who i am
A
The don't wanna know
They don't really understand
Em
So many people try and telling me to be practical
A
Only think that i'm one dimensional
Em
But i could feel it there's a fire raging underneath
A
Burning throught the pages
Here i am coming clean
Em
I'm sick of lying to myself, gotta livel the truth
A
Now i got to do
What i got to do

G D A
This is where i should be
There ain't no other place yeah!
G D A
where my soul really speaks

G
There ain't no other way i can feel it save me
D
Move me, shake me
A
Gotta go where the music takes me
G D A
Let it set me free
Em A
You got to believe

Em
Is it crime to just be, who i wanna be
A
I need some space
So i can be chase, all my dreams
Em
Cuz when i hit the stage anything is possible
A
I get lost in the song that is magical
Em
So crank it up
Fell the rush then just turn me loose
A
I wanna feel the inspiration that is coming through
Em
And there's no other place
Where i feel so alive
A
When i start to sing
You just can't deny

G D A
This is where i should be
There ain't no other place yeah!
G D A
where my soul really speaks
G
There ain't no other way i can feel it save me
D
Move me, shake me
A
Gotta go where the music takes me
G D A
Let it set me free
You got to believe

D G A
When everybody's gone and i'm here all alone
(i don't gotta hide, i don't have to try)
D
you've got to understand
G A
That this is who i am
G
And its where i shine
D A
And its where i shine

I know

G D A
This is where i should be
There ain't no other place yeah!
G D A
where my soul really speaks
G
There ain't no other way i can feel it save me
D
Move me, shake me
A
Gotta go where the music takes me
G D A
Let it set me free
You got to believe

G D A
This is where i should be
There ain't no other place yeah!
G D A
where my soul really speaks
G
There ain't no other way i can feel it save me
D
Move me, shake me
A
Gotta go where the music takes me
G D A
Let it set me free
G D A
Let it set me free
