

Christopher - Nothing In Common

tom:
 C
 You might say no to me
 Am F
 But to me a no is so indifferently
 C Em
 I drag along your way
 Am F
 It's your way I'm hanging in so desperately
 C Em Am
 I beg you please to start believe that it's way too soon
 F
 To change your way

C
 You can feel that our love
 Em
 Is fading out, out of touch (oh)
 Am F
 And you say we've got nothing in common
 C
 You're so crazy, I'm sane
 Em
 You got heart, I got brains
 Am F
 And there's nothing that

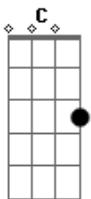

We have in common at all
 C Em Am
 Oh, oh, oh
 F
 Nothing in common
 C Em Am F
 Oh, oh, oh no no

C Em
 I listen to your words
 Am F
 And it hurts when you tell me

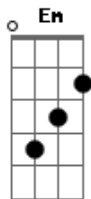

How I'm supposed to be
 C Em
 You tell me to suit up, get a job
 Am F
 It makes you crazy that I cannot see
 C Em
 'Cause I got heart, got soul
 Am
 I play the guitar
 F
 It's too late to change your way

C
 You can feel that our love
