

Chrystian - I Feel Love

Tom: G

When I'm with you
 I feel many things
 And I feel good
 Your hands touchin' my face
 When I'm with you
 I feel the stars, the moon
 And I feel love

 The sun begins to shine
 And skies above are blue
 And it happens dear

When I'm with you.

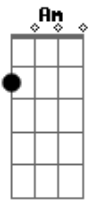

When you're with me
 The hours pass away
 But when you're gone
 I find I have too much to say
 Baby it's true
 I feel the stars the moon
 And I feel love.

 With me you'll find true peace
 With me you'll find true happiness
 If you'll say that you
 Will stay with me.
