

# Chrystian - Sorrows

Tom: C  
Intro: Dm : Dm : Bm7 : E : Am

I have been here with my sorrows  
Because my love in your eyes I don't see  
(I'm) gonna have so tomorrows  
'Cause now I've lost you again.

In all my dreams I was happy  
Because my love in your eyes I could see  
Now my dreams are deep sorrows  
Until I have you again.

And now my life is filled with pains  
Since I can't have chance to see you again  
To walk together hand in hand  
And talk about our love dear and then

I've been here with my sorrows  
Still loving you again.

FLUTE SOLO: Am : Dm : E : F : Em7 A7 : Dm : E7 :

In all my dreams I was happy  
Because my love in your eyes I could see  
Now my dreams are deep sorrows  
Until I have you again.

And now my life is filled with pains  
Since I can't have chance to see you again  
To walk together hand in hand  
REPEAT 2 Times  
And talk about our love dear and then  
and Fade Out.  
I've been here with my sorrows  
Still loving you again.
