

## **Chrystian - Things**

```
The good things about you
                                                                 A A E : Gbm
Intro: A : D : Dm : A : D : Dm :
                                                                                   Things that I should say
                      Dhm
   Things I'd like to say
                                                                 Just take my breath away.
   Things I'd like to be
                                                                 INTERLUDE : A7 : D7 Dm : A7 : D7 Dm : A7 : D7 Dm :
              Dbm
   Searching for a way
            D
                                                                 Look up to the sky
    to make my dreams reality
                                                                 Those things go round and round my head
               Α
   Living day by day
                                                                 Watch the clouds go by
                       A A7 : D E7 :
       D
   Hoping I can make you see.
                                                                 D Dm
While laying on my bed
                                                                  Α Α
                                                                 I wish upon a star
   But there're things that often
                                                                                               A : FGFG :
    D
                                                                                         D
                                                                   D
                                                                 To change the way things are instead.
   Are much easier said than done
                                                                                                               AW Owow!
   A A
   And when I am close to you
                                                                 C C G : Am
                                                                Things Like I love you

Dm G7

Things Like dreaming of
     D
   or I call you on the phone
                                                                                 Like dreaming of you
                                                                 Things
C C G : Am
Things I'd like to say
   Those things I'd have to say
