                                                                              Α7
1.Baby..Baby..Baby..Baby take it easy, Let's do it right,
                                                                  Come on and drive me crazy (come on, come on now)
(Let's do it ri..ght)
                                                                  Ahh, come on and twist it up baby(Umm,umm,umm,umm)
 Oh, baby take it easy,
                                                                                 B7
                                                                   'Cause there's no, no twistin' like..a slow, slow
 Don't ya know we got all night (Umm, Umm, Yeah!)
                                                                                 F
                B7
                                                                   twistin' with you.
  'Cause there's no, no twistin',
  Like a slow, slow twistin' with you. (Yeah!)
                                                                   You're gonna last longer, stronger if you take your
                                                                   time( 'round and 'round we go now, honey)
2. A little crazy motion is all you need (Just a little bit 'a
                                                                           Α
                                                                                       Α7
room now, baby.)
                                                                   Oh, you're gonna feel stronger.. and you'll feel so
                                                                       E7
   Ahh, twist with slow devotion, you don't need speed.
                                                                   fine.
                                                                   (Let's twist it slow now, baby)
    (But it takes a lotta soul now, honey.)
                                                                                 B B7
                                                                   'Cause there's no, no twistin', like a slow, slow
    'Cause there's no, no twistin', like a slow, slow
                                                                                  F BF
                  E BB7
                                                                    twistin' with you.
    twistin' with you.
                                                              REPEAT VERSE #3.
3. Ahh, c'mon and please me baby, (Yeah, yeah, yeah, yeah,
                                                              REPEAT VERSE #4.
