

Chuck Berry - 12 Bar Blues

Tom: E

[-repeat 8 times palm muted]

[now repeat the first part but only 4 times instead of 8]

[do that as it is read]

[do it as it is read][that is basically an a chord to begin

with]

[strum down them up then down][let it ring at the end
then start the whole
over again]

[heres a little part my cousin made up]

[this part comes around the second time in place of the last
part that you did the first
again on the chord part in this little extra strum down the up
then down]
