 November 2006

12 bar rock in G.

G

C

D

BD = Bend down
 HB = Hold bend
 Intro:

I have seen Chuck do it here on video

Up in the morning an off to School
G

Teacher is teaching the golden rule
G BD

American history and practical maths
C HB-----| give it heaps!
BD

This will give the bouncy feel
 that this lick has.

Your studing hard and hoping to pass
G HB-----|
BD

Working your fingers right down to the bone
D

The guy behind you won't leave you alone
G

Ring ring goes the bell
G BD

The cook in the lunch room is ready to sell
G

Your lucky if you can find a seat
BD

Your fortunate if your got time to eat
G

Back in the class room open your books
D

Bet the teacher don't know how mean she looks
G

Soon as 3 o'clock rolls around
G

You finally lay your burden down
G

Throw back books get out of your seat
C HB-----|
BD

Down the halls and into the street
G

Up to the corner and round the bend
D

Ride to the jute joint you go in
G

Drop the coin right into the slot
G BD

You gotta here something that's really hot
G BD

With the one you love you make'n romance
BD

All day long your been wanting to dance
G HB-----|
BD

Feeling the music form head to toe
D

round and round and round you go
 Solo:
G

C G

D HB-| BD G

Drop the coin right into the slot
G

You gotta here something that's really hot
G BD

With the one you love you make'n romance
C HB-----|
BD BD

All day long your been wanting to dance
G HB-----|

BD

Feeling the music form head to toe

D

round and around and round you go

G

BD

Hail Hail rock'n roll

G

BD

Deliver me from the days of old

G

BD

Long live rock'n roll

C

HB-----|

BD

The beat of the drums loud and cold

G

Rock rock rock'n roll

D

HB

The feeling is there body and soul
