

Chuck Berry - School Days (Ring Ring Goes The Bell)

Tom: Eb	
Up in the mornin' and out to school	
The teacher is teachin' the Golden Rule	
American history and practical math	
You studyin' hard and hopin' to pass	
Workin' your fingers right down to the bone	
And the guy behind you won't leave you alone	
Ring, ring goes the bell	
The cook in the lunch room's ready to sell	
You're lucky if you can find a seat	
You're fortunate if you have time to eat	
Back in the classroom, open your books	
Gee but the teacher don't know how mean she looks	
Soon as three o'clock rolls around	
You finally lay your burden down	
Close up your books, get out of your seat	
	<p>Down the halls and into the street</p> <p>Up to the corner and 'round the bend</p> <p>Right to the juke joint, you go in</p> <p>Drop the coin right into the slot</p> <p>You're gotta hear somethin' that's really hot</p> <p>With the one you love, you're makin' romance</p> <p>All day long you been wantin' to dance,</p> <p>Feeling the music from head to toe</p> <p>Round and round and round we go</p> <p>Hail, hail rock and roll</p> <p>Deliver me from the days of old</p> <p>Long live rock and roll</p> <p>The beat of the drums, loud and bold</p> <p>Rock, rock, rock and roll</p> <p>The feelin' is there, body and soul.</p>
