

# Chuck Ragan - Right as Rain

tom:

A  
[Refrão]

Oh I must say, my  
Hearts on fire  
Since I've been away  
Since I last saw your face

[Primeira Parte]

Oh Come what may  
It'll all get right  
And lonely old nights will  
Be a thing in the past  
All I wish is you to sleep  
As sound as your eyes and as sweet

[Ponte]

I wish you to know I believe  
That your company leaves me right as rain

( A E D A E )

[Refrão]

Oh I must say, my hearts on fire  
But I don't mind the pain  
You're far worth the pain

[Segunda Parte]

For now, I wish you to sleep  
As sound as your eyes and as sweet

[Ponte]

I wish you to know I believe  
That your company leaves me right as rain  
Leaves me right as rain

[Final]

After all, I wish you would sleep  
As sound as your eyes and as sweet  
I wish you to know I believe  
That your company leaves me right as rain  
Leaves me right as rain
