

Chuck Ragan - Right as Rain

tom:

A
[Refrão]

Oh I must say, my
Hearts on fire
Since I've been away
Since I last saw your face

[Primeira Parte]

Oh Come what may
It'll all get right
And lonely old nights will
Be a thing in the past
All I wish is you to sleep
As sound as your eyes and as sweet

[Ponte]

I wish you to know I believe
That your company leaves me right as rain

(A E D A E)

[Refrão]

Oh I must say, my hearts on fire
But I don't mind the pain
You're far worth the pain

[Segunda Parte]

For now, I wish you to sleep
As sound as your eyes and as sweet

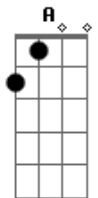

[Ponte]

I wish you to know I believe
That your company leaves me right as rain
Leaves me right as rain

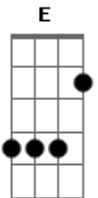

[Final]

After all, I wish you would sleep
As sound as your eyes and as sweet
I wish you to know I believe
That your company leaves me right as rain
Leaves me right as rain
