

Chump Change - High & Dry

tom:
 G
 Stuck in my head
 Thinking about what we have
 I'm leaving soon and I don't want this to end
 I don't care what your friends say about what we share
 'Cause they don't even know
 I wanna take off all your clothes
 No, don't leave me all alone
 I don't wanna be that guy
 Don't leave me high and dry
 Don't leave me high and

I've never fallen so fast
 Tell me, why'd you have to be so perfect for me?
 Give me a hand and all the answers I've been searching for
 I don't care what your friends say about what we share
 'Cause they don't even know
 I wanna take off all your clothes
 No, don't leave me all alone
 I don't wanna be that guy
 Don't leave me high and dry
 Don't leave me high and
