

Ciaran Lavery - 31

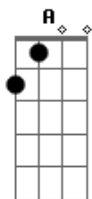

tom:

I'm not the one that you been waiting on
 I'm not unique in a single way
 I'll let you down, I'll mess you around
 Got a wandering eye and I don't trust myself
 Go tell the God that you been praying on
 Or to the friend who's listening in vain
 This is just a phase, I'm just a phase
 A memory, one day, that'll leave you
 Feel nothing at all, most of the time
 You ask me to see, but I don't wanna try
 At 31 I still make the same mistakes as when I was young

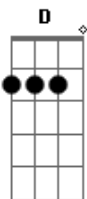

At 31 I still make the same mistakes as when I was young

Maybe I've hurt you, maybe made you cry
 Left you alone, without explaining my ways
 How can I explain the ways in which I changed
 I've been wounded and afraid before this
 So please don't say you understand me now
 It's just a lie, 'cause I don't understand
 All I know is true, I used to be good
 Now I'm just some fool, so see this
 My God I'm a liar, most of the time
 You ask me to speak, but darling I'm too tired
 At 31 I still make the same mistakes as when I was young
 At 31 I still make the same mistakes as when I was young
