

Cidade Verde Sounds System - Go Home

Tom: Gb

Bbm
I got to be honest with you **Ebm**
Bbm **Ebm**
It wasn't to be this way
Bbm **Ebm**
And everything we've been through now
Bbm **Ebm**
Jah knows that I prayed **Fm**
And now I really know a special love is hard to find **Ebm**
Fm **Ebm**
And everything in you is just a little divine **Ebm**
Fm **Ebm**
And now I know... my life was cool by your side **Ebm**
Fm **Ebm**
And you are everything I searched all of this time

Bbm **Ebm**
I don't wanna go home... without you baby
Bbm **Ebm**
I don't wanna go home... without you
I don't wanna go home... without you baby
I don't wanna go home... without you

Eu tenho que te dizer
Que eu penso muito em você
E não foi bem assim que eu quis não
E Jah sabe que eu tentei
E agora eu to longe e era bom demais
Eu canto pra fugir do que a distancia me trás
E agora eu sei da falta que você me faz
E o que é menor que isso, vê se deixa pra trás
I don't wanna go home... without you baby
I don't wanna go home... without you
I don't wanna go home... without you baby
I don't wanna go home... without you
