Cidia e Dan - Cruisin

```
Tom: E
                                                                                                 Gbm
                                                             F
                                                             Just release and you will find
  Е
[Baby let's cruise]
Gbm E Gbm
                                                             Chorus:
(Away from here)
                                                             E
                                                             Cruise with me baby
F
                                                                                 E Gbm
[Don't be confused]
                                                             E Gbm
                                                             Ooooooooooooooohhhhhhhh [Yeah,]
Gbm E Gbm
(The way is clear)
                                                             E Gbm
                                                                                                 E Gbm
                                              Gbm
                                                             (Ooooooooooooooohhhhhhhh)
        E
And if you want it, you got it forever
 F
                                                                     Е
                                                                                 Gbm
                       Gbm
This is not a one night stand baby (Yeah)
                                                             E.
 F
                                                             Oooohhh baby let's cruise (Let's float, let's glide)
                                    Gbm
So,let the music take your mind
                                                             Gbm E Gbm E Gbm
                                    Gbm
                                                             Oooohh Let's open up (and go inside)
F
Just release and you will find
                                                                       Е
                                                                                       Gbm
Chorus:
                                                             And if you want it, you got it forever
                                                                      F
You're gonna fly away
                                                             Gb
                                                             I could just stay here beside you and love you baby
Glad you're goin my way
                                                                   Е
                                                                              Gbm
D B
                                                             Let the music (take your mind)
I love it when we're cruisin' together
                                                                                  Gbm
                                                                 F
                                                             Just release and [you will find]
F
Music is played for love
                                                             Chorus:
Cruisin' is made for love
D B
                    E
                                                             F
I love it when we're cruisin' together
                                                             You're gonna fly away
F
                                                             Glad you're goin my way
[Baby tonight]
                                                             D B
                                                                     E
                                                             I love it when we're cruisin' together
Gbm E Gbm
(Belongs to us)
                                                             Music is played for love
[Everything right]
                                                             Cruisin' is made for love
       E Gbm
Gbm
                                                             D B E
(Do what you must)
                                                             I love it when we're cruisin' together
            F
                                                Gbm
                                                             (00ohh)
And inch by inch we grow closer and closer
E Gbm
                                                             Α
                                                             [Cruise with me baby]
To every lil part of each other (Oooh baby yeah)
                                                             D
                                                                D
                                                                              E F
                                                             (I love it when we're cruisin together)
                                  Gbm
[Sooo] Let the music take your mind
