I can feel you

I can see you

See you swimming through the night

Feel the water

Running 'round and 'round your inner thigh

I can feel you

I can see you

See you swimming through the night

See you naked

Feel the water

Running 'round and 'round your inner thigh

Make love to me inside the darkness

Make love to me inside the darkness

( F C F )  
( C F C F )  
( C G )

Now we're walking by the river

## Acordes

Now we're strolling by the lake

Now we're walking to the ocean

I can see you want to take my hand

( Am C )  
( Am C G )

Make love to me inside the darkness

Make love to me inside the darkness

I can see your clothes are soaked

By all of the rain that fell

Don't you wonder why it smells that way?

I gave you a rose that day

I took all its thorns away

Don't you wonder why it smells that way?

That way

( F C F C )  
( G F C )  
( F C F C G )

Now we're walking by the river

Now we're strolling by the lake

Now we're walking to the ocean

I can see you want to take my hand
