E tom:

[Primeira Parte]

E  
We wanted to fuck with real love  
A  
Wanted it sweet, so pure and warm  
Dbm A7M  
Never only sleepin' over  
E  
We wanted to fuck, like, all the time  
A  
And when you got back from your flight  
Dbm A7M  
It was the first thing we did

[Pré-Refrão]

E  
And when you say you want it all  
A  
I know you want it all  
Dbm A7M  
Baby, take it all from me  
E  
And when you drag me on the floor  
A  
And the blue tejano's on  
Dbm A7M  
You keep your eyes on me

[Refrão]

E  
So get in the waves  
A  
Swim in your leather  
Dbm A7M  
I always will make it feel like you were the last one  
E  
So get in the waves  
A  
Like it was the first time  
Dbm A7M  
Oh, bless your heart, make you part of my life forever

[Segunda Parte]

E  
In shorts so high-waist  
A

The girl in the arcade  
Dbm A7M  
Said they were the shortest ever  
E  
And the rest like holiday  
A  
The live one where she sang  
Dbm A7M  
Dancin' in a polka-dot top

[Pré-Refrão]

E  
And when you say you want it all  
A  
I know you want it all  
Dbm A7M  
Baby, take it all from me
