

CIL - One More Shot

tom:
 Fm (forma dos acordes no tom de Em)
 Capostraste na 1ª casa

[Primeira Parte]

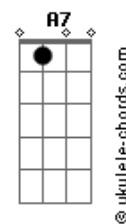

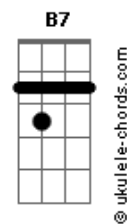

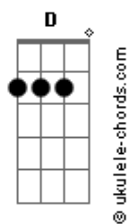

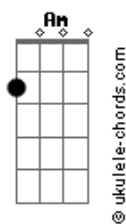

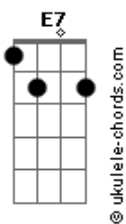

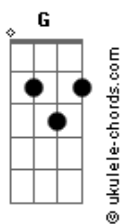

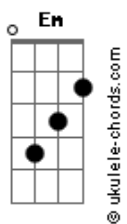

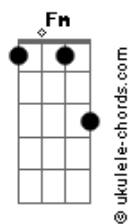

Oh my god^G
 I won^{E7}
 Damage is done^{Am}
 You had your fun^D
 Bet you're sorry now^G
 You dressed me in white
 To just lay me down^{E7}
 I would've stayed till death took me out^{Am}
 But then you fucked up
 And gave me the gun^D
 So I'll give you

[Refrão]

One More Shot^G
 You think that I'm crazy I know^{E7}
 You just wanna leave me^{Am}
 Then go
 Blood on my hands^D
 You're already dead
 But I'll give you^G
 One more shot^{E7}
 Your body is cold but I'm hot^{Am}
 You think that I'm playing, I'm not
 You know how this ends^D
 I'll put you to rest with^G
 One more shot

[Segunda Parte]

Acordes

I used to hold you^{E7}
 All through the night^{Am}
 Till I saw the purple^D
 Under your eyes
 Oh, I'm not surprised^G
 You're still doing drugs
 But like to pretend^{E7}
 That you and that girl
 Were only just friends^{Am}
 I saw the whole truth
 That bruise on your neck^D
 Oh, I could just kill you
 Well, that just depends^{B7}
 If you're sorry^{Em}
 Want me to forgive you^{A7}
 If you want me to^D
 I can give you
 [Refrão]
 Just One More Shot^G
 You think that I'm crazy I know^{E7}
 If you want to leave me^{Am}
 Then go
 Blood on my hands^D
 You're already dead
 But I'll give you^G
 One more shot^{E7}
 Your body is cold but I'm hot^{Am}
 You think that I'm playing, I'm not
 You know how this ends^D
 I'll put you to rest with^G
