

Cimorelli - Alive

Tom: G

I sat alone in the cold
 In my room that night
 My face was red with the tears
 Of a thousand and one lonely nights
 No one came
 No one called
 No one cared
 And no one saw

And yet everything was alright
 As I sat there in my loneliness
 Wrapped my arms around my knees
 And I held tight
 I could feel my heart beat
 That's how I knew

I'm alive
 I'm alive
 I'm alive, I'm alive, I'm alive, I'm alive
 I'm alive, I'm alive
 I feel because I'm alive

(C G D Em C G D)

Sometimes it's not easy to
 And I don't want to feel

But if I close off and just be numb
 What would I become?
 Shutting down
 Getting by
 Even though
 There's pain inside
 Is how I know

I'm alive
 I'm alive
 I'm alive, I'm alive, I'm alive, I'm alive
 I'm alive, I'm alive
 I feel because I'm alive

And if I break
 Wanna feel every single thing
 I'm alive
 I wanna live, not just survive

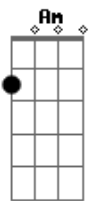

I'm alive
 I'm alive
 I'm alive
 I'm alive
 I'm alive
 I'm alive, I'm alive, I'm alive, I'm alive
 I'm alive, I'm alive

(G)
