

Cimorelli - Galaxy

Tom: E

[Primeira Parte]

E A
Blue, the color of your eyes and all I see

When I look up at the skies

I think of you

Driving me in your car

It's been so long

It's been so long

[Pré-Refrão]

E
You said "don't wait up for me baby"

A
But you know I'll wait forever

Dbm
Nobody else makes me crazy

A
You know there's no one better

[Refrão]

E
Baby, I adore you

A
Like the sand loves the sea

Dbm
Cause compared to everyone before you

A E A
They're the stars but you're the galaxy

E A
Baby, you're my galaxy

[Segunda Parte]

E A
Cold, the air that first night we snuck out and saw

Those constellations

Dbm
Beautiful as you

A E
I didn't think I'd fall so hard so fast

A
I thought it wouldn't last

E
So tell me do you think of me

A
When it's late at night and you can't sleep

E
Do you know it gives me anxiety

A
When you're gone it feels like I can't breathe

[Pré-Refrão]

E
You said "don't wait up for me baby"

A

But you know I'll wait forever

Dbm
Nobody else makes me crazy

A
You know there's no one better

[Refrão]

Baby, I adore you

Like the sand loves the sea

Dbm
Cause compared to everyone before you

A E A
They're the stars but you're the galaxy

E A
Baby, you're my galaxy

[Ponte]

Dbm A
I know there are billions of stars in the universe

Dbm
And those stars make galaxies

A
So much bigger than us

Dbm
The past is gone and the days are long

A
And you and I won't last

And I should face the fact

E A
That you're just a boy and I'm just a girl

E A
But somehow you became my whole world

[Pré-Refrão]

E
So don't wait up for me baby

A
You don't have to wait forever

Dbm
I'm yours, I know that I'm crazy

A
But you know there's no one better

[Refrão]

E
Baby, I adore you

Like the sand loves the sea

'Cause compared to everyone before you
