

Cimorelli - Galaxy

Tom: E

[Primeira Parte]

^E Blue, the color of your eyes and all I see ^A

When I look up at the skies

I think of you ^{Dbm}

Driving me in your car

It's been so long ^E

It's been so long ^A

[Pré-Refrão]

You said "don't wait up for me baby" ^E

But you know I'll wait forever ^A

Nobody else makes me crazy ^{Dbm}

You know there's no one better ^A

[Refrão]

Baby, I adore you ^E

Like the sand loves the sea ^A

Cause compared to everyone before you ^{Dbm}

They're the stars but you're the galaxy ^{E A}

Baby, you're my galaxy ^{E A}

[Segunda Parte]

Cold, the air that first night we snuck out and saw ^{E A}

Those constellations

Beautiful as you ^{Dbm}

I didn't think I'd fall so hard so fast ^E

I thought it wouldn't last ^A

So tell me do you think of me ^E

When it's late at night and you can't sleep ^A

Do you know it gives me anxiety ^E

When you're gone it feels like I can't breathe ^A

[Pré-Refrão]

You said "don't wait up for me baby" ^E

^A

But you know I'll wait forever

Nobody else makes me crazy ^{Dbm}

You know there's no one better ^A

[Refrão]

Baby, I adore you ^E

Like the sand loves the sea ^A

Cause compared to everyone before you ^{Dbm}

They're the stars but you're the galaxy ^{E A}

Baby, you're my galaxy ^{E A}

[Ponte]

I know there are billions of stars in the universe ^{Dbm A}

And those stars make galaxies ^{Dbm}

So much bigger than us ^A

The past is gone and the days are long ^{Dbm}

And you and I won't last ^A

And I should face the fact

That you're just a boy and I'm just a girl ^{E A}

But somehow you became my whole world ^{E A}

[Pré-Refrão]

So don't wait up for me baby ^E

You don't have to wait forever ^A

I'm yours, I know that I'm crazy ^{Dbm}

But you know there's no one better ^A

[Refrão]

Baby, I adore you ^E

Like the sand loves the sea ^A

'Cause compared to everyone before you ^{Dbm}

They're the stars but you're the galaxy ^{E A}

Oooh ^A

Baby, you're my galaxy ^{E A}

Oooh ^{E A}

Baby, you're my galaxy ^{E A}

Oooh ^E
