

# Cimorelli - Good Enough

Tom: Eb

<sup>Cm</sup>  
I don't know why he left <sup>Ab</sup>  
<sup>Eb</sup>  
But he's been gone  
For several months  
<sup>Cm</sup> There's a tension in the air <sup>Ab</sup>

<sup>Eb</sup>  
That's not so fun  
<sup>Cm</sup> Mom's been losing weight <sup>Ab</sup>  
<sup>Eb</sup>  
I can tell she's not ok  
<sup>Cm</sup> I wonder if it's my fault <sup>Ab</sup>  
<sup>Eb</sup>  
He went away

Pre-Chorus 1:

<sup>Ab</sup>  
I feel like I'm drowning  
<sup>Cm</sup>  
I feel like I'm broken  
<sup>Eb</sup> <sup>Ab</sup>  
I've been ripped down the middle  
<sup>Eb</sup>  
I am ripped down the middle  
<sup>Ab</sup>  
My house is a war zone  
<sup>Cm</sup>  
My life is a battle  
<sup>Eb</sup> <sup>Ab</sup>  
And I'm stuck in the middle  
<sup>Eb</sup>  
I am stuck in the middle

Chorus:

<sup>Ab</sup> <sup>Cm</sup>  
Whatever I did  
<sup>Bb</sup> <sup>Eb</sup>  
I would take it all back  
<sup>Ab</sup> <sup>Cm</sup>  
I'd circle the world  
<sup>Bb</sup> <sup>Eb</sup>  
To get back what we had  
<sup>Ab</sup> <sup>Cm</sup>  
Tell me what must I do  
<sup>Bb</sup> <sup>Eb</sup>  
To deserve your love  
<sup>Ab</sup> <sup>Eb</sup>  
Is there any way I'll ever be  
<sup>G7</sup> <sup>Cm</sup>  
Good enough  
<sup>Ab</sup> <sup>Eb</sup> <sup>Bb</sup>  
Is there any way I'll ever be  
<sup>Cm</sup> <sup>Ab</sup> <sup>Eb</sup>  
Good enough

Verse 2:

<sup>Cm</sup> <sup>Ab</sup>  
I don't know why he left  
<sup>Eb</sup>  
But I don't think he's coming back  
<sup>Cm</sup> <sup>Ab</sup> <sup>Eb</sup>  
Relationships don't come easy to me  
<sup>Cm</sup> <sup>Ab</sup>  
I never learned how to love  
<sup>Eb</sup>  
Or how to stay  
When things get rough  
<sup>Cm</sup> <sup>Ab</sup>  
How can you know something  
<sup>Eb</sup>  
You've never seen

Pre-Chorus 2:

<sup>Ab</sup>  
I feel like a hurricane

<sup>Cm</sup>  
My heart is breaking  
<sup>Eb</sup> <sup>Ab</sup>  
It's been ripped down the middle  
<sup>Eb</sup>  
I am ripped down the middle  
<sup>Ab</sup>  
I feel like a lost cause  
<sup>Cm</sup>  
All I ever do is screw up  
<sup>Eb</sup> <sup>Ab</sup>  
Ever since I was little  
<sup>Eb</sup>  
I've been ripped down the middle

Chorus:

<sup>Ab</sup> <sup>Cm</sup>  
Whatever I did  
<sup>Bb</sup> <sup>Eb</sup>  
I would take it all back  
<sup>Ab</sup> <sup>Cm</sup>  
I'd circle the world  
<sup>Bb</sup> <sup>Eb</sup>  
To get back what we had  
<sup>Ab</sup> <sup>Cm</sup>  
Tell me what must I do  
<sup>Bb</sup> <sup>Eb</sup>  
To deserve your love  
<sup>Ab</sup> <sup>Eb</sup>  
Is there any way I'll ever be  
<sup>G7</sup> <sup>Cm</sup>  
Good enough  
<sup>Ab</sup> <sup>Eb</sup> <sup>Bb</sup>  
Is there any way I'll ever be  
<sup>Ab</sup>  
Good enough

Bridge:

<sup>Eb</sup> <sup>Cm</sup>  
I've spent my life trying to hide <sup>Ab</sup>  
<sup>Gm</sup>  
All of my weakness from everyone  
<sup>Eb</sup> <sup>Cm</sup>  
I try so hard to play the part  
<sup>Gm</sup>  
Cover all my scars  
<sup>Ab</sup> <sup>Eb</sup> <sup>G7</sup>  
But it's never enough  
<sup>Cm</sup> <sup>Ab</sup> <sup>Eb</sup> <sup>G7</sup> <sup>Cm</sup>  
No it's never enough

Chorus:

<sup>Ab</sup> <sup>Eb</sup>  
Whatever I did  
<sup>G7</sup> <sup>Cm</sup>  
I would take it all back  
<sup>Ab</sup> <sup>Eb</sup>  
I'd circle the world  
<sup>Bb</sup>  
For you mom and dad  
<sup>Ab</sup> <sup>Cm</sup>  
Tell me what must I do  
<sup>Bb</sup> <sup>Eb</sup>  
To deserve your love  
<sup>Ab</sup> <sup>Eb</sup>  
Is there any way I'll ever be  
<sup>G7</sup> <sup>Cm</sup>  
Good enough  
<sup>Ab</sup> <sup>Eb</sup>  
Is there any way I'll ever be  
<sup>G7</sup> <sup>Cm</sup>  
Good enough  
<sup>Ab</sup> <sup>Eb</sup>  
Is there anything in this world  
<sup>G7</sup> <sup>Cm</sup>  
That I could do  
<sup>Ab</sup> <sup>Eb</sup> <sup>Bb</sup>  
Is there any way I'll ever be  
<sup>Ab</sup> <sup>Eb</sup> <sup>Bb</sup>

Maybe I'm already

Ab  
Good enough
