

Cimorelli - If It Isn't For You

Tom: **Bb**

(forma dos acordes no tom de **A**)
Capostrate na 1ª casa

[Primeira Parte]

Am **G**
I'm reckless, with my heart
With my words
F
I never really cared about
C
The ones who didn't stick around
Am
Yeah, i cry about it
G
I get attached
I feel so dumb
F
But i did it to myself
Always knew they would
C
Let me down

[Pré-Refrão]

Am
But ever since you left baby
G
I've been a mess
F
The stars in the sky
C
Don't shine as brightly
Am
So tell me would it be so bad
G
If you came back
F
Don't you remember
C
How right it feels?
F
Cause i do and if
G
You asked me to

[Refrão]

Am
I'd come back to you
G
Back to you
F **C**
I'd come back to you
Em
To you
Am
You know it's only you
G
Only you
F
I don't want nobody
C
If it isn't you
F
If it isn't you

[Segunda Parte]

Am
Do you think about me
G
Do you miss the nights

When we would hang out
F
And just drive around
C
Do you think about it now
Am
I ask all my friends about you
G
And it hurts a little
When they say
F
You're happy cause a part of me
C
Still wishes you smile
Because of me
Am
It's been a long time
G
I've written so many songs
And i bet all my friends are tired of
F
Hearing your name
C
It sounds a little insane
Am
But it's so hard to move on
G
When there's nobody like you
F
You're so special
And i don't wanna spend
C
Another day without you
Am
Baby it doesn't matter
G
Where this takes me
It could hurt me
F
But i miss you
And i need you
C
I don't want to

Am
But everybody knows
G
That if
G
You asked me to, yeah
G
If you asked me to

[Refrão]

Am
I'd come back to you
G
Back to you
F **C**
