

# Cimorelli - If It Isn't For You

Tom: **Bb**

(forma dos acordes no tom de **A** )  
Capostrate na 1ª casa

[Primeira Parte]

**Am** **G**  
I'm reckless, with my heart  
With my words  
I never really cared about  
The ones who didn't stick around  
Yeah, i cry about it  
I get attached  
I feel so dumb  
But i did it to myself  
Always knew they would  
Let me down

[Pré-Refrão]

**Am**  
But ever since you left baby  
I've been a mess  
The stars in the sky  
Don't shine as brightly  
So tell me would it be so bad  
If you came back  
Don't you remember  
How right it feels?  
Cause i do and if  
You asked me to

[Refrão]

**Am**  
I'd come back to you  
Back to you  
I'd come back to you  
To you  
You know it's only you  
Only you  
I don't want nobody  
If it isn't you  
If it isn't you

[Segunda Parte]

**Am**  
Do you think about me  
Do you miss the nights

When we would hang out  
And just drive around  
Do you think about it now  
I ask all my friends about you  
And it hurts a little  
When they say  
You're happy cause a part of me  
Still wishes you smile  
Because of me  
It's been a long time  
I've written so many songs  
And i bet all my friends are tired of  
Hearing your name  
It sounds a little insane  
But it's so hard to move on  
When there's nobody like you  
You're so special  
And i don't wanna spend  
Another day without you  
Baby it doesn't matter  
Where this takes me  
It could hurt me  
But i miss you  
And i need you  
I don't want to

**Am**  
But everybody knows  
That if  
You asked me to, yeah  
If you asked me to

[Refrão]

**Am**  
I'd come back to you  
Back to you  
I'd come back to you  
To you  
You know it's only you  
Only you  
I don't want nobody  
If it isn't you

If it isn't you  
If it isn't you

[Ponte]

I don't know what this is  
I know he's not that special  
I mean at least everyone keeps  
Telling me that  
But it feels like i'm never going to move on  
Like for real

I'm so obsessed with him  
Like justin bieber could  
Ask me out on a date

And i'd be like  
No sorry  
You're not j

I almost said his name  
Anyways, the moral of the story is  
It's over  
He probably hates me  
And i should just move on

Right?  
[Refrão]

I'd come back to you  
Back to you  
I'd come back to you  
To you  
Cause it's only you  
Only you

I don't want nobody  
If it isn't you

You  
If it isn't you  
If it isn't you  
If it isn't you

If it isn't you  
If it isn't you  
If it isn't you  
If it isn't you
