

# Cimorelli - Wedding (Medley)

Tom: A

(forma dos acordes no tom de Ab )  
Capostrate na 1ª casa

Heart beats <sup>C</sup> fast  
Colors and <sup>G</sup> promises  
How to be <sup>Em</sup> brave?  
How can I love when I'm afraid to fall?  
But watching you stand alone  
All of my doubt suddenly fades away somehow  
One step closer  
I have died every day waiting for you  
Darling, don't be afraid I have loved you  
For a thousand years  
I'll love you for a thousand more  
And when you're needing your space  
To do some navigating  
I'll be here patiently waiting  
To see what you find  
Cause even the stars they burn  
Some even fall to the earth

We've got a lot to learn  
God knows we're worth it  
No I won't give up  
When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way  
I know you will still love me the same  
And darling I will be loving you till we're seventy  
And baby, your smile's forever in my mind and memory  
And I'm thinking about how  
People fall in love in mysterious ways  
And maybe it's all part of a plan  
Well, I'll just keep on making the same mistakes  
Hoping that you'll understand  
I have died every day waiting for you  
Darling, don't be afraid I have loved you  
Giving you all my love (For a thousand years)  
Still looking up, still looking up  
(I'm thinking out loud)  
Maybe we found love right where we are
