

# Cinderella - Hard To Find The Words

Tom: C  
Intro: (Mais ou menos...dah uma arrumadinha no tempo)

Intro: 2: C G Am F C G F C (esse ultimo C eh com o riffzinho do C da intro)

C G  
Mama sometimes I feel inside  
Am F  
There's nothing I can say  
C G  
Nothing I can do  
F D  
Could ever match the love you gave  
C G  
You taught me how to live  
Am F  
Told me walk before you run  
C G  
And you were always there to pick me up  
F C  
Everytime I'd have a fall

G  
And mama I know there's been times  
F C  
When I didn't always understand  
G C  
By and by we do some growing up  
F C  
And it makes just a little more sense  
F C  
But sometimes it's hard to find the words  
Am F  
But I'll do the best that I can

C G  
Thank you for the love mama  
F C  
It's what made this boy a man  
(riff da intro denovo)

C G  
I know the road's been long  
Am F  
And I know you've seen some rain  
C G  
Making the best of what we had  
F D  
I never heard you complain  
C G

When I look in the mirror today  
Am F  
Wondering could I be as strong  
C G  
Could I give as much to someone else  
F C  
As you gave to your son  
G  
And mama I know there's been times  
F C  
When we didn't see eye to eye  
G C  
By and by we do some growing up  
F C  
And we understand the reasons why  
F C  
But sometimes it's hard to find the words  
Am F  
But I'll do the best I can  
C G  
Thank you for the love mama  
F C  
It's what made this boy a man, yea

Solo ( Am F C Am F G )  
F C  
Many years have gone by  
Am F  
And I've been living them the best I can  
(Riff da intro)

G  
And mama I know there's been times  
F C  
When I didn't always understand  
G C  
By and by we do some growing up  
F C  
And it makes just a little more sense  
F C  
But sometimes it's hard to find the words  
Am F
