Tom: C  
Intro:

Verso 1:

Pré-refrão:

Refrão:

Solo:

Woke up this morning on the wrong side of bed  
I got this feeling like a train running through my head  
Turned on the radio to the same old song  
Some big mouth trying to tell us  
Where the world went wrong

But all this talk of peace and love  
It's only for the news  
'Cause everytime you trust someone  
You end up getting screwed

Refrão:  
The more things change  
The more they stay the same  
Everyones your brother till you  
Turn the other way

## Acordes

The more things change  
The more they stay the same  
All we needs a miracle  
To take us all away from the pain

Came to this morning  
I was feeling mighty used  
Picked up the telephone  
But all i gots a major attitude  
Turned on the tv to the same old news  
Everybody thinks they got the answer  
To the same old blues

Like a hot smokin pistol  
On a saturday night  
You gotta go for the throat  
You gotta fight for your life

Refrão:  
The more things change  
The more they stay the same  
Everyones your brother till you  
Turn the other way  
The more things change  
The more they stay the same  
All we needs a miracle  
To take us all away from the pain  
take me away

Like a hot smokin pistol

You gotta go for the throat  
You gotta fight for your life
