I'm gettin' hot, I've got to give a shot
She wants it all, And that's a lot

I'm gettin' ready, The love's lookin' steady
It's gettin' sticky, I thought she might miss me
She looked at me and said

I need a little Push, push
Gonna give a little Push, push
If ya take a little Push, push
Then you'll get a little Push, push

She's lookin' fine, Flashin' like a neon sign
She thinks it's love, I said that comes with time

I'm gettin' ready, The love's lookin' steady
It's gettin' sticky, I thought she might miss me
She looked at me and said

I need a little Push, push
Come and give a little Push, push
If ya take a little Push, push
Then you'll get a little Push, push

Whoa, yea

I'm gettin' ready, The love's lookin' steady
It's gettin' sticky, I thought she might miss me
She looked at me and said

I need a little Push, push
Come and give a little Push, push
If ya take a little Push, push
Then you'll get a little Push, push
