

Citizens - Good Ground

```
tom:
Intro: A
[Primeira Parte]
Give me ears to hear when You're speaking
Give me eyes to see as You move
You made these hands to use for Your glory
Set my feet to carry Your truth
[Refrão]
Rain down, rain down
Heaven come and cover this earth
Fall on good ground, good ground
We don't want to waste Your Word
When Your truth is hard to believe in
Let our hearts be soft for receiving
Fall on good ground, good ground
  Make us good ground, good ground
Make us good ground, good ground
Make us good ground, good ground
