

Citizens & Saints - Out Of Sight

tom:

Em

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies

And when I see a mirror on the wall

I look, but don't see any fault

I've been told so many times that it's my pride

But no, it's an issue with they're eyes

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies

(C Am Em G)

Well, every night I go to bed alone

So what? It's all I've ever known

No one wants to see me as the victim, too

Who cares? They can see it as they choose

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies

(C Am Em G)

Silence

Hide in silence

Quiet

We can fight this

Silence

Hide your silence

Quiet

Just keep silent

(Am Em C G)

(Am Em D G)

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies

Out of sight, out of mind

If no one speaks then we'll be fine

Forget the blood, just give it time

The more we wait, the more it dies
