                                                           Gbm E
Intro: Gbm E Abm A (x2)
                                                                 Abm
                                                                                    Α
                                                            I have traded cherished truth for worthless lies
Parte 1:
                                                                   Abm
                                                                                    Α
                                                            Raging through the earth for treasure I couldn't find
                                                               Abm
Gbm E
                                                                             Α
                                                                                       Gbm E
                                                           Wallowed in the mud for nothing but my pride
    Abm
                                                 Е
                                          Gbm
                           Α
                                                                 Abm A Gbm E
If I gained the world would it be worth the price?
                                                                                 Abm A
                                                           And I'm so tired, I'm just so tired
                                          Gbm
                                                 Е
          Abm
                             Α
To work these hands to death and not be satisfied
   Abm
                                                Е
                                                            (Refrão)
                     Α
                                         Gbm
If every effort brought another sleepless night
                                                           Gbm E Abm A
    Abm A
I'd be so tired
                                                           Parte 3:
Gbm F
      Abm
                                                F
                                                           Gbm E
                         Α
                                         Gbm
I have strived enough to know that this divide
                                                                                       Abm A
                         Α
                                                Gbm
                                                       F.
                                                           I just want to live in peace
       Abm
Could never be repaired through countless second tries
                                                                                       Gbm E
                                                           And I'm struggling to believe
      Abm
                         Α
                                          Gbm
                                                 F
Still I stay in the course avoiding what is right
Abm A Gbm E Abm A
                                                                                           Abm A
                                                            That letting go will give me peace
Now I'm so tired, I'm just so tired
                                                                 Gbm
                                                                           E
                                                            Can I sit here at your feet?
Refrão:
                                                                       Abm
                                                            Cause this is right where I belong
Abm B A
                                                                     Gbm
                                                                                   F
I relent
                                                            Yeah I can feel it in my soul
         Е
                                                                     Abm
                                                            You say I'm right where I belong
There is nothing for me here
                             R
      Dbm
You can have it all my life is not my own
                                                                               F
                                                                  Α
                                                                                    Dbm B
                                                            And I know that I belong!
Abm B A
You give life
                                                                                Ē
                                                                                     Dbm B
                                                                   Α
                                                            Yeah, I know that I belong!
      E
                                                           A E Dbm B
I know that I belong!
That is worth the loss of mine
    Dbm
                         R
I surrender all I have to follow you
                                                              Α
                                                                          E Dbm B
                                                            I know that I belong!
