Am
Love of mine
Em
Won't you lay by my side
F
And rest your weary eyes
E
Before we're out of time
Am
Give me one last kiss
Em
For soon, such distance
F
Will stretch between our lips
E
Now the day's losing light

Am Em F

Bring me your love, tonight
C G F
Bring me your love, tonight

Am
Lost at sea
Em
My heart beat is growing weak

F
Hoping you'd hear my plea
E
And come save my life
Am
As the storm grew fierce
Em
An angel was certainly near
F
I knew there was nothing to fear

C G F
Bring me your love, tonight
C G F
Bring me your love, tonight
C G F
No I am not where I belong
C G F
Bring me your love, tonight

C G F
No I am not where I belong
C G F
So shine a light and guide me home
C G F
No I am not where I belong
C G F
So shine a light, guide me back home
