

City And Colour - Harder Than Stone

Tom: **Bb**

(com acordes na forma de **G**)

Capostrate na 3ª casa
 Someday I will walk away
 When time ain't drawing on me like a blade
 Back turned to the setting sun
 Leaving behind Toronto's incessant hum
 'Cause I was born and raised
 To live beyond
 The heft and weight
 Of a world undone
 But I don't mean to be a bother
 I don't need you to take my burden away
 And I ain't afraid of dying
 Cold and alone
 Traipsing through the utter dark
 Walking underneath the dead moonlight

Without any great concern

For what I've missed or how many bridges have burned
 Like a bird who flies
 All the way from the north
 My heart will roam
 In search of warmth
 But I don't mean to be a bother
 I don't need you to take my burden away
 And I ain't afraid of dying
 Cold and alone
 When my time comes
 When I was young
 I didn't know too much
 I thought that I could rule the world
 Then I grew up
 I found out life was hard
 Harder than stone
