

# City And Colour - Runaway

Tom: E

(com acordes na forma de Capostrate na 2ª casa D)  
 A Em G D

A Em G D  
 I know I have earned it  
 A Em G D  
 But most days I don't feel like I deserve it

A Em  
 To the victor go the spoils  
 G D  
 Through this mortal coil  
 A Em G D  
 Oh how the years have been so kind to me

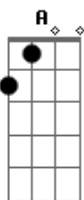

Em G  
 I'll find a permanent place where  
 D A  
 the skies are gold not grey  
 Em G  
 Where I can taste the salt on your skin

D A  
 And feel the sunshine on my face  
 Em G  
 We're gonna run, we're gonna run  
 D A  
 Gonna runaway from the day  
 Em G  
 We're gonna run, gonna run  
 D A  
 Gonna run away from the day  
 A Em G D (2x)  
 A Em G D  
 Finally free from the past  
 A Em G D  
 How long could a feeling like this last  
 A Em  
 The road away from here  
 G D  
 is long but sweet my dear  
 A Em G D  
 Oh how the years have been so kind to me
