Last night I dreamt that they dropped a bomb
Am C

Skyscrapers fell, and crumbled to dust,
Am C
Their skeletons of steel were covered in rust

Am Em D C
And everything I loved and feared
Am Em D C
Had all at once disappeared
Am Em D C
Oh everything I loved and feared
Am Em D C
Had all at once disappeared

G

Colours were drained straight from the sky

Am C
And nothing living had survived
G
The mountains were merely removed from the earth
Am C
Silver and gold had lost all its worth

Refrão:

Am Em D C
And everything I loved and feared
Am Em D C
Had all at once disappeared
Am Em D C
Oh everything I loved and feared
Am Em D C
Had all at once disappeared
Intro: dedilhada (2x)

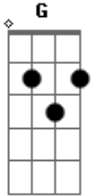

Verso 3:

G
I woke from the dream in a cold, cold sweat
Am C
I was full of doubt and deep regret,
G
For suddenly it was all so clear to me;
Am C
There was nothing left in which to believe

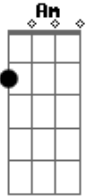

Refrão (2x):

Am Em D C
And everything I loved and feared
Am Em D C
Had all at once disappeared
Am Em D C
Oh everything I loved and feared
Am Em D C
Had all at once disappeared
