

# City And Colour - The Love Still Held Me Near

tom:

Intro: F D F D

F  
Awake, awake, my darling

D  
The moon is down

F  
The waves, the waves

D  
They are crashing all around

F  
What would you do?

D  
What would you say, if I was gone?

F  
Losing your breath, toil and sweat

D  
Just hold on

Am G  
If you say it now

C F7M  
Leave no doubt

Am G  
You'd shatter the earth

C F7M  
It's where I will be found

Am G F7M D  
Cause the love still held me near

Am G  
Say it now

C F  
Then time will disappear

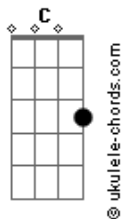

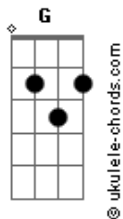

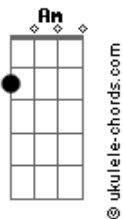

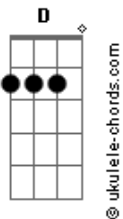

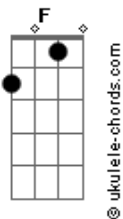

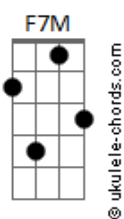

( F D F D )

F  
Awake, awake, my darling

D  
From your beautiful dream

F  
Save me from my sorrow

## Acordes

Which burns eternally

F  
Oh, hammer me down into the fire

D  
I am reborn

F  
Let love's energy pour into me

D  
I am yours

Am G  
If you say it now

C F7M  
Leave no doubt

Am G  
You'd shatter the earth

C F7M  
It's where I will be found

Am G F7M D  
Cause the love still held me near

Am G  
Say it now

C F  
And time will disappear

G F  
On still waters the sky lay its head

G F  
Hope is hanging on by a thread

Am G  
Say it now

C F7M  
Leave no doubt

Am G  
Shatter the earth

C F7M  
It's where I will be found

Am G F7M D  
Cause the love still held me near

Am G  
Say it now

C F  
And time will disappear
