

# City And Colour - Wasted Love

Tom: G

[Final] Dm F G Bb Dm F G Bb  
Dm F G Bb Dm F G Bb

Careless love  
Quit pouring honey in my ears  
You're speaking diamonds crystal clear  
So far away I want you near  
Crying out for more  
Just a little more  
Tied down on the floor  
Like a prisoner of war  
Oh, I've been down so long  
The day is nearly gone  
I must carry on  
With this wasted love  
( Dm F G Bb Dm F G Bb )

Careless love  
There's more to say than should be said  
Can't get these words straight in my head  
You make me feel so powerless  
I'm crying out for more  
Just a little more  
Tied down on the floor  
Like a prisoner of war

Oh, I've been here so long  
The day is nearly gone

I must carry on  
Whit this wasted love

Wasted love  
( Dm F G Bb )

Wasted love  
( Dm F G Bb )

I'm crying out for more  
Just a little more

Tied down to the floor  
Like a prisoner of war

With this wasted love  
Waaaaaaaasted love
